Local Ministry - \$113,251.95

City Beat Dream Center - \$13,000

Founded in February 2015, CityBeat has evolved into a thriving organization that has developed a wide array of outreach programs. It all started as a dream. Pastor Jared Michael happened to find a sermon online by Pastor Matthew Barnett, the founder of the Los Angeles Dream Center. Inspired by Pastor Matthew's heart to "find a hurt and heal it, find a need and fill it," Pastor Jared began to imagine a similar organization right here in Baltimore - a beacon of light that would help bring hope to communities.

Breathe - \$21,500

An outreach program located in Harford County, MD that finds and meets needs in our communities and beyond. From toy drives, clothes, food and so much more. Inspired by the scripture Ezekiel 37:9 ". . . Breathe into these, that they may live again."

The Well - \$10,000

For 10 years, The Well has been a safe haven for trafficked women and otherwise, in the Curtis Bay community, touching the lives of thousands every year. For 5 years, Hon's Honey, a program of The Well, has employed women survivors, so they can develop a wide range of skills, manage financial independence, and provide for their families.

Central Christian Nigeria - \$32,710

Retired Colonel Roland Emokpae felt led to start a church in his home country of Nigeria. It began as an international service at our Baltimore campus and took root in his spirit to pursue what was in his heart. Pastor Roland now has three Central Christian campuses in Nigeria.

Falcon Children's Home - \$4,500

Convoy of Hope Florida Project - \$11,143.00

In February 2023, Central sent a team to Florida to assist a local church, (Evangel Church) through Convoy of Hope. The church and property sustained major damage from a tornado. Our team helped with some of the repairs caused by this storm, by reframing walls and other tasks that were requested. It was a great week, as we worked with the local church so they could keep their focus on reaching the lost and needy in their community, while we made repairs.

Israel - \$43,439.13

Jaffa Institute - \$2,500

The Institute's mission is to provide educational, recreational and social enrichment programs that break the cycle of intergenerational poverty in the greater Jaffa's community. They serve to support each child's self esteem, so that he/she can evolve into a healthy, educated and productive adult. They provide over 40 different programs, initiatives, services and relief by approximately 5,500 volunteers throughout the year.

Just One Life - \$1,040.89

Just One Life functions like a Crisis Pregnancy Center. Their mission is to empower women who find themselves in a crisis situation during pregnancy.
